

THE SMALLEST PLANE IN THE WORLD!

Go 'Supersonic' with...

MYRO the MUSICAL

NICK ROSE

Myro the Microlight...

...is the Smallest Plane in the World!

He Loves to Fly...

... and he Loves to Sing!

This captivating and exciting new musical is based on 'Myro', the hit children's picture story book series about aeroplanes, by British author Nick Rose.

'Myro the Musical' follows our flying hero as he moves from the UK to 'awesome' Australia.

Whilst 'Down Under', Myro makes new friends, meets crazy animals, faces tricky situations and learns that friendship is the ultimate gift!

Perfect for any time of the year, 'Myro the Musical' is flexible enough to be performed by diverse groups of children across Key Stages 1 and 2.

Available as a fully Staged production or a Cantata for choir and narrator, 'Myro the Musical' is full of action, excitement, laughter - and of course great songs!

The musical that sends you 'Supersonic'!

What the children say!

"The songs are fantastic – the best has got to be Supersonic." Daniel

"My best song is Snap because it's fun and exciting." Jasmin

"I've learnt all of the songs off by heart – I sing them in the car on long journeys!" Miriam

"Moving Day has a really catchy tune. I think the songs are perfect!" Rosie

Horfield CEVC Primary School

What the Teachers say!

"You could hear children singing the songs around the school after rehearsals had finished!"

"The songs are very accessible and hugely popular!"

"They are easy to learn with memorable tunes, not too high - full of fun!"

"We sang them with children from Years 3 to 6. Each song has a different feel about them and the children liked each of them for a different reason."

"The boys were particularly taken with the aeroplane characters and Australian adventures!"

"The complete score was perfect for an accomplished pianist."

Kirsten Cunningham, Assistant Head and Choir Director, Horfield CEVC Primary School
